Matt,

Your list of proposed search terms includes "hunter" "hbiden" and "hunter@rstp.com." Assuming these refer to Hunter Biden, we do not understand their inclusion in your list of proposed terms as we understand Biden to have been Archer's business partner and not to have served in any legal capacity. Accordingly, please explain your basis for the inclusion of these terms.

With regard to the other names of individuals on your list, (1) for each attorney (or other law firm personnel) please identify the law firm with which the individual is affiliated; and (2) for any non-attorney/non legal personnel please provide a justification for their inclusion in the proposed list of search terms.

Thanks,

Rebecca
